

## **PWGSC Awards MapleWorks Technology and CRG Consulting with SBIPS Supply Arrangement and TBIPS Standing Offer & Supply Arrangement**

**GATINEAU, PQ; June 16, 2010**—Public Works and Government Services Canada (PWGSC), the purchasing arm of the Canadian federal government, has awarded the technology consulting Joint Venture, [CRG Consulting](#) and [MapleWorks® Technology Inc.](#) (“CRG/MapleWorks”), with two Supply Arrangements and a Standing Offer. The high-caliber CRG/MapleWorks technical team delivers innovative information technology products that adhere to the timelines and budgets of public sector agencies.

### **News**

- The CRG/MapleWorks partnership is built on a proven record of success working within the public sector environment and a solid foundation of technical expertise.
- PWGSC awards CRG/MapleWorks with a Tier 1 Supply Arrangement for Solutions-Based Informatics Professional Services (SBIPS).
- PWGSC awards CRG/MapleWorks with a Tier 1 and 2 Standing Offer & Supply Arrangement for Task-Based Information Professional Services (TBIPS).

### **Quotes**

Paul Gasparro, Founder, MapleWorks Technology Inc.

“The Ottawa/Gatineau region is home to thousands of talented engineers and project managers, and MapleWorks employs the cream of the crop. The CRG/MapleWorks partnership combines an established record of success working effectively within the public sector environment with an established record of success in achieving stringent IT requirements via Standing Offers and Supply Arrangements.”

Perry Simpson, Director of Government Business Development, CRG Consulting

“By way of PWGSC Standing Offers and Supply Arrangements, the Federal government can tap the top technical talent of CRG/MapleWorks. Our combined bench strength ensures the delivery of the highest quality IT software products to the government—on time and on budget.”
